

Partnering with Reaching Out

Reaching Out would like to develop partnerships with organizations that share our goal of sustainable business practices. We would like to work with others who want to:

- Create positive, authentic and memorable experiences for foreign tourists so they tell their friends, stay longer and come back
- Implement ways to reduce our impact on the environment
- Create more opportunities for the people from Vietnam to achieve their potential (including access for disabled people).

The following partnership packages are meant to be a platform for future work together. We are happy to discuss alternative ways of working towards common goals at any time.

Reaching Out's responsibility

- Give priority in customized tours and/or group reservations for Partner's guests (at other times by appointment)
- Give priority in design and produce customized gifts for Partner's guests as corporate gifts
- Assistance in helping Partner fulfill 'Corporate Social Responsibility' Pledge (such as local purchasing, sponsorship, community work, consulting in having accessible facilities/ environment for everyone to improve partner's service)
- Reaching Out agrees to promote Partner in our store (display partner's flyer/ brochure)
- Reaching Out agrees to promote Partner on our website

Partner's responsibility
